

Early Finisher Code Breakers

Quick, no-prep code puzzles in three difficulty levels

Grades 3–7 • 5–15 minutes • Mixed • Answer key included

A no-prep mini-pack for students who finish early. Level 1 uses the A1Z26 code (A=1). Level 2 uses a Caesar cipher with a shift of 3. Level 3 uses the Atbash mirror alphabet (A=Z). Each puzzle takes just a few minutes; check your work against the answer key when you are done.
