

Spy Party Secret Code Mission

Agent briefings to decode with three secret codes

ANSWER KEY

Grades 3–7 • 25 minutes • Beginner • Answer key included

A printable spy-party mission. Every briefing is written in code — A1Z26 (A=1), a Caesar cipher shifted by 3, or the Atbash mirror alphabet. New agents decode each briefing to complete the mission and learn the meeting password. The host answer key has every solution.
